

DIRECTIONS TO BULLHEAD COMMUNITY PARK

(It's about 10-15min. away from the hotels)

When leaving the Tropicana Hotel, make a left onto Casino Drive. Drive down to the end where it meets Hwy 163, turn right and cross over the bridge. Keep to the right, at the light turn right onto Hwy 95. You will see a McDonald's, IHOP, Sam's Club & Home Depot on the left. Stay to the right. You'll drive about 2.5-3miles. You'll pass the red schoolhouse (on right), splash pad, see the chain-link fence, follow it and you'll find the entrance to parking. (you should see the concrete turtle) There is a \$20 parking fee w/no In and Out privileges (you'll have to repay if you leave). Try to park as close as you can to the red Chamber of Commerce building. The covered Ramada is SR#111, it is behind the building, at the river's edge just left of the boat launch. (the numbers on the ramadas have changed, it is currently #13) On these tables above the river, is where the food for the potluck will be put. It'll be hot, so bring items that can withstand the heat or keep it in an ice chest and labeled outside of the chest of what is inside. Please be sure to sign up for the potluck on this website so that we don't have an overabundance of a particular item. The river is just a few steps down from the ramada, there you can put up your umbrellas, canopy, beach chairs, water toys w/a lot of fun!
